```

Verse 1:
```
        Aadd9             Aadd9
```
I've been driving for an hour
```
    E/G#              E/G#
```
Just talking to the rain
```
       C#m7                    B
```
You say I've been driving you crazy
```
       Aadd9          B      (repeat chord progression)
```
And it's keeping you away
So just give me one good reason
Tell me why I should stay
'Cause I don't wanna waste another moment
In saying things we never meant to say

Pre-Chorus:
```
    (B  E)     Aadd9
```
And I take it just a little bit
```
(B  E)     Aadd9
```
I hold my breath and count to ten
```
(B  E)     Aadd9          (B          E)      Aadd9(Hold)
```
I've been waiting for a chance to let you in

Chorus:
```
         (Aadd9    B)
```
If I just breathe
```
(C#m7             Aadd9)
```
Let it fill the space between
```
     (E    B) (Aadd9   B) (repeat chord progression)
```
I'll know everything is alright
Breathe, every little piece of me
You'll see
Everything is alright
If I just breathe

Verse 2:
Well it's all so overrated
I'm not saying how you feel
So you end up watching chances fade
And wondering what's real

Pre-Chorus:
And I give you just a little time
I wonder if you realize
I've been waiting 'til I see it in your eyes

Chorus:

Bridge: (same as chorus)
If I just breathe
breathe
So I whisper in the dark
Hoping you'll hear me
Do you hear me?
Breathe
Everything is alright
if I just breathe

Outro:
I've been driving for an hour
Just talking to the rain
