E|-----------------------------------------------------------------|
```

Verse 1:
A Amaj7 D A (repeat throughout)
We'll do it all, everything, on our own.
We don't need anything, or anyone.

Chorus:
If I lay here, if I just lay here
Would you lie with me, and just forget the world.

Verse 2:
I don't quite know how to say how I feel
Those three words, I said too much, but not enough.

Chorus:
If I lay here, if I just lay here
Would you lie with me, and just forget the world.
Forget what we're told, before we get too old
Show me a garden that's bursting into life.

Verse 3:
Let's waste time, chasing cars, around our heads.
I need your grace to remind me, to find my own.

Chorus:
If I lay here, if I just lay here
Would you lie with me, and just forget the world.
All that I am, all that I ever was
Is here in your perfect eyes, they're all I can see
I don't know where, confused about how as well
just know that these things will never change for us at all.
If I lay here, if I just lay here
Would you lie with me, and just forget the world.
