

## Girl You'll Be A Woman Soon (Neil Diamond)

Intro:

Em     A                     D             Em     Em  
Girl, you'll be a woman soon

Verse 1:

Em  
Love you so much can't count all the ways  
Em  
I'd die for you girl and all they can say is  
D                     D  
He's not your kind  
Em  
They never get tired of putting me down and  
Em  
I never know when I come around  
D                     D  
What I'm gonna find  
                                   C                     C  
Don't let them make up your mind, don't you know

Chorus:

Em     A                     D             Em  
Girl, you'll be a woman soon  
Em     A                     D             Em  
Please come take my hand  
Em     A                     D             Em  
Girl, you'll be a woman soon  
Em     A                     D             Em  
Soon, you'll need a man

Verse 2:

I've been misunderstood for all of my life  
But what they're sayin', girl, just cuts like a knife  
The boy's no good  
I finally found what I've been lookin' for  
But if they get a chance they'll end it for sure  
Sure they would  
Baby I've done all I could, it's up to you
