**Hackensack (Katy Perry)**

**Intro:**  Am C F C (capo 3rd fret)

**Strumming:**  |1 2 3 4 |
                 D D U U D U

**Verse 1:**
Am                C
I used to know you when we were young
F                (C     E) repeat 2x
You were in all my dreams
We sat together in period one
Fridays at eight fifteen
Now I see face in the strangest places
Movies and magazines
Am                C
I saw you talkin' to Christopher Walken
F                C
On my TV screen

**Chorus:**
F                C
But I will wait for you
F                (Em   G)
As long as I need to
Am                C
And if you ever get back to Hackensack
F                C
I'll be here for you

**Intro:**

**Verse 2:**
I used to work in a record store, now I work for my dad
Scraping the paint off of hard wood floors
the hours are pretty bad
Sometimes I wonder where you are probably in L.A.
That seems to be where everybody
else ends up these days

**Chorus:**

**Solo:** F C E F F C G E

**Chorus:**
