

Hold Me (Jamie Grace)

Intro:

B F#
I love, I love, I love, I love the way you hold me
G#m E (repeat)
I love, I love, I love, I love the way You hold me
I love, I love, I love, I love the way You hold me
I love, I love, I love, I love the way You, the way you

Verse 1:

(intro chords)

I've had a long day, I just wanna relax
Don't have time for my friends, no time to chit-chat
Problems at my job, wonderin' what to do
I know I should be working, but I'm thinking of You and
C#m
Just when I feel this crazy world is gonna bring me down
F#
That's when Your smile comes around

Chorus:

Oh, I love the way You hold me, by my side You'll always be
You take each and everyday, make it special in some way
I love the way you hold me, in Your arms I'll always be
You take each and everyday, make it special in some way
I love You more than the words in my brain can express
I can't imagine even loving You less
Lord, I love the way You hold me
Whoa oh oh oh oh oh oh, oh whoa, I love the way You hold me
Whoa oh oh oh oh oh oh

Verse 2:

Well Ya, took my day and You flipped it around
Calmed the tidal wave and put my feet on the ground
Forever in my heart, always on my mind
It's crazy how I think about You all of the time
And just when I think I'm bout to figure You out
You make me wanna sing and shout

Chorus:

Bridge:

 C#m B E
I'm so grateful and thankful for all You've done
 C#m
Wish I could tell You in a short story or poem
 B E
But all I have is my voice and this guitar
 F#
And You have my heart

Chorus:
