Intro: G Em G Em

Verse 1:

G

Into the distance, a ribbon of black

Em

Stretched to the point of no turning back

G

A flight of fancy on a windswept field

Em

Standing alone my senses reel

G

A fatal attraction is holding me fast

Em

How can I escape this irresistible grasp

Chorus:

C

Am

Can't keep my eyes from the circling skies

F

Tongue-tied and twisted

C

D

Just an earth-bound misfit, I

Verse 2:

Ice is forming on the tips of my wings

Unheeded warnings, I thought I thought of everything

No navigator to find my way home

Unladen, empty and turned to stone

Pre-Chorus:

C	Am
A soul in tension that's learning to fly	
F	C
Condition grounded but determined to try	

Chorus:

Verse 3:

Above the planet on a wing and a prayer  
My grubby halo, a vapor trail in the empty air  
Across the clouds I see my shadow fly  
Out of the corner of my watering eye  
A dream unthreatened by the morning light  
Could blow this soul right through the roof of the night

Pre-Chorus:

There's no sensation to compare with this  
Suspended animation, a state of bliss

Chorus:
