Intro: G C G C

Verse 1:

G C  
All my bags are packed, I'm ready to go  
G C  
I'm standing here outside your door  
G C D(x2)  
I hate to wake you up to say goodbye  
G C  
But the dawn is breaking, it's early morn  
G C  
The taxi's waiting, he's blowing his horn  
G C D(x2)  
Already I'm so lonesome I could cry

Chorus:

G C  
So kiss me, and smile for me  
G C  
Tell me that you'll wait for me  
G C D(x2)  
Hold me like you'll never let me go  
G C  
I'm leavin' on a jet plane  
G C  
I don't know when I'll be back again  
G C D(x2)  
Oh babe, I hate to go

Verse 2:

          G                          C  
There's so many times I've let you down  
          G                          C  
So many times I've played around  
          G                          C                          D(x2)  
I tell you now, they don't mean a thing  
          G                          C  
Every place I go, I'll think of you  
          G                          C  
Every song I sing, I'll sing for you  
          G                          C                          D(x2)  
When I come back, I'll wear your wedding ring

Chorus:

          G                          C  
Now the time has come to leave you  
          G                          C  
One more time, let me kiss you  
          G                          C                          D(x2)  
Then close your eyes, and I'll be on my way  
          G                          C  
Dream about the days to come  
          G                          C  
When I won't have to leave you alone  
          G                          C                          D(x2)  
About the times I won't have to say

Chorus: 2x
