Where are you
O Mauna Loa
Of the big hips
Return my love
Tra la la
To Ka`awaloa

Until you come
My lover
It's my lot to be restless
alone
Tra la la
In the place that's for us two

Your hankie is worn
Eaten by the roaches
I use it to wipe off
Tra la la
Your pointy-toed shoes

The story is told
Now you just get out
It's my lot to be restless
alone
Tra la la
Where we two used to be
