A thought, an upwelling of affection
 For the pulsing emotions in the heart
 Missing the beauty that you are
 And the boundless love that you
 bestow

Like the glow of the sun
 in its heaven
 Guiding along the pathways of life
 Tasks and responsibilities
 surround you
 Further developing
 the full bloom of your beauty

Puana ke aloha ë
 No ke konikoni a ka pu`uwai
 Ha`o `ana i kou nani ë
 E maliu mai `oe e ho`i e ho`i mai

Express the deep affection
 For the pulsing emotions in the heart
 Missing the beauty that you are
 Take heed, come back, return to us
