Intro: A A D E7

### Verse 1:

Feels like longer than forever, yeah  
My home is now a distant land  
If I had one wish, I wish I could be  
Back on that rock in the middle of the sea

### Chorus:

My Heart is calling me to the islands  
Blue skies, and tropical breeze  
I wanna go back home....to swim in the Pacific Sea  
You can take the boy from the island,  
But not the island from the boy  
Cuz the island stays in your heart  
And I'll never forget where I'm from  
Oh no, I'll never forget  
No I'll never forget

### Verse 2:

I miss the local grinds You know what kine I mean  
Lau lau, lomi salmon, and yes kalua pig  
L&L plate lunch, ooooh what a winnah  
Call da braddahz up "Cuz we go pa'ina!"

### Chorus:

Commin in from the islands yes the island's where I'm from  
Love the local girls cuz they are the numba one

Yes we can't stop, won't stop, till me find my way back home  
And when me return, return to the island finally
