Verse 1: (intro chords)
I was riding shotgun with my hair undone
in the front seat of his car
He’s got a one-hand feel on the steering wheel
The other on my heart
I look around, turn the radio down
He says baby is something wrong?
I say nothing I was just thinking how
A  (stop)
we don’t have a song, And he says...

Chorus:
D  Em
Our song is the slamming screen door,
G  A
Sneakin’ out late, tapping on your window
D  Em  G
When you’re on the phone and you talk real slow
G(1 strum)  A(1 strum)  D
Cause it’s late and your mama don’t know
Em
Our song is the way you laugh
G  A
The first date “man, I didn’t kiss her, but I should have”
G  A  Em
And when I got home ... before I said amen
D/F#  G (stop on 3)
Asking God if he could play it again
Intro:

Verse 2:
I was walking up the front porch steps after everything the day
Had gone all wrong or been trampled on
And lost and thrown away
Got to the hallway, well on my way to my lovin’ bed
I almost didn’t notice all the roses
And the note that said...

    G
That was as good as our song

    D          Em
I was riding shotgun with my hair undone

In the front seat of his car
D      Em
I grabbed a pen and an old napkin
    G
And I... wrote down our song
