

Perfect (Hedley)

Verse 1:

Am

Falling a thousand feet per second

F

You still take me by surprise

C

I just know we can't be over

G

I can see it in your eyes

Am

F

Making every kind of silence takes a lot to realize

C

It is worse to finish then to start all over

G

and never let it lye

F

G

Am

And as long as I can feel you holding on

F

G

I won't fall, even if you said I was wrong

Chorus:

C

Am

I'm not perfect, but I keep trying

F

C

G

Cause that's what I said I would do from the start

Am

I'm not alive if I'm lonely

F

So please don't leave

C

G

Was it something I said or was it just my personality

Verse:

Making every kind of silence takes a lot to realize

It is worse to finish then to start all over

and never let it lye

And as long as I can feel you holding on

I won't fall, even if you said I was wrong

Chorus:

Bridge:

Dm

When you're caught in a lie

F

And you got nothing to hide

Am

When you've got nowhere to run

G

And got nothing inside

C/E

It tears right through me

F

You thought that you knew me

C

G

You thought that you knew

Chorus:

C

G

Am F

Was it something I said or just my, just myself

C G

Just myself,

Am F

Myself

C G

Just myself

C

Am

I'm not perfect, but I keep trying
