Intro: A F#m A F#m

Verse 1:

A F#m  
I see the way he walks into the room and then he speaks  
A F#m Bm E7  
So sweet, every word from his lips is like honey

A E7  
I know he loves me  
(repeat chords)

Hear the way he sings and the way he strums his instrument  
The way he jams and the way he treats his family  
He's funny, I know he loves me

Pre-Chorus:

Bm Bm E7 (stop)  
Although our lives been super complicated, just playin' this  
song when you need a little lift

Chorus:

A F#m Bm E7 (repeat)  
Cause baby, I'm finally, I'm writing you this simple love song  
After how long baby, I'm finally  
I'm writing you this simple love song

Verse:

I still can't get enough even though the times are rough  
And boy you know, I trip, I meant because you're not around,  
but it's ok babe, you gotta get um baaaabyyy.  
I'm gonna hold it down for you, I'm gonna scream it loud for  
you, focus on myself for you,  
You know that I would die for you baby, I know its crazy
