Verse 1:

Em C

Ticking away, the moments that make up a dull day ${\tt D}$

You fritter and waste the hours in an offhand way ${\tt Em} \hspace{1.5cm} {\tt G}$

Kicking around on a piece of ground in your home town D Em Waiting for someone or something to show you the way

Chorus:

r c

Tired of lying in the sunshine, staying home to watch the rain, ${\tt C}$

You are young and life is long, and there is time to kill today, ${\tt C}$

And then one day you find, ten years have got behind you

No one told you where to run, you missed the starting gun.

Solo Verse:

Verse 2:

And you run, and you run to catch up to the sun, but it's sinking,
And racing around, to come up behind you again
The sun is the same in a relative way, but your older,
Shorter of breath, and one day closer to death.

Chorus:

Every year is getting shorter, never seem to find the time Plans that either come to naught, or half a page of scribbled lines
Hanging on in quite desperation is the english way,
The time is gone, the song is over thought I'd something more to say.
