Intro: F F Gm Gm (2x)

Verse 1:

F
 Who's to say what's impossible
 Gm
 But of they forgot this world keeps spinning
 F
 And with each new day I can feel a change
 Gm
 in everything and as the surface breaks
 F
 reflections fade
 Gm
 But in some ways they remain the same
 F
 And as my mind begins to spread its wings
 Gm
 There's no stopping curiosity

Chorus: (double time chords)

 F Gm
 I want to turn the whole thing upside down
 Bb C (repeat 3 times)
 I'll find the things they say just can't be found
 I'll share this love I find with everyone
 We'll sing and dance to Mother Nature's songs
 I don't want this feeling to go away
