Verse:

E E E E
Ye come here, gather 'round the stage
B A C#m C#m (repeat 4 times)
The time has come for us to voice our rage
Against the ones who've trapped us in a cage
To steal from us the value of our wage
From underneath the vestiture of law
The lobbyists at Washington do gnaw
At liberty, the bureaucrats guffaw
And until they are purged, we won't withdraw

Chorus:

A A
We'll occupy the streets
B B
We'll occupy the courts
E E A A
We'll occupy the offices of you
E E
Till you do
E B E E C#m C#m E E C#m C#m
The bidding of the many, not the few

Verse 2:

Our nation was built upon the right
Of every person to improve their plight
But laws of this Republic they rewrite
And now a few own everything in sight
They own it free of liability
They own, but they are not like you and me
Their influence dictates legality
And until they are stopped we are not free

Chorus:

Verse 3

You enforce your monopolies with guns
While sacrificing our daughters and sons
But certain things belong to everyone
Your thievery has left the people none
So take heed of our notice to redress
We have little to lose, we must confess
Your empty words do leave us unimpressed
A growing number join us in protest

Chorus:

You can't divide us into sides
And from our gaze, you cannot hide
Denial serves to amplify
And our allegiance you can't buy
Our government is not for sale
The banks do not deserve a bail
We will not reward those who fail
We will not move till we prevail

We'll occupy the streets
We'll occupy the courts
We'll occupy the offices of you
Till you do
The bidding of the many, not the few

We'll occupy the streets
We'll occupy the courts
We'll occupy the offices of you
Till you do
The bidding of the many, not the few

We are the many
You are the few
