

What If (Colbie Caillat)

Verse 1:

E F#m
What if we were made for each other
E F#m
Born to become best friends and lovers
E
I want to stay right here
A
In this moment with you
F#m
Over and over and over again

E f#m
What if this could be a real love
E c#m
A love, a love, yeah
f#m E
I don't know what to think
f#m E
Is this real or just a dream
f#m E
In my heart is where you'll be
A B
I'll keep waiting till we meet

E f#m
What if were made for each other
E f#m
Born to become best friends and lovers
E
I want to stay right here
A
In this moment with you
c#m
Over and over and over again

A f#m
What if this could be a real love
E c#m A
A love, a love, yeah
B
I write our names down in the sand
E f#m
Picturing all our plans

F#

I close my eyes and I can see

A

E

You, and you ask, "Will you marry me?"

c#m

g#m

Is it made up in my mind?

c#m

A

Am I crazy just wasting time?

B

I think this could be love

E

I'm serious

What if we were made for each other

Born to become best friends and lovers

I want to stay right here

In this moment with you

Over and over and over again

What if this could be a real love

A love, a love, yeah

Boy, you know you really make my heart stop

Stop, stop

Oh, what if this real love

What if this real love

Oh, boy, you make my heart stop

You make my heart stop
