Verse 1:
```
        A                 D
In the town where I was born
        Em                A
Lived a man who sailed to sea
        A             D
And he told us of his life
        Em            A
In the land of submarines
       A                 D
So we sailed up to the sun
         Em                A
Till we found the sea of green
         A                D
And we lived beneath the waves
         Em           A
In our yellow submarine
```

Chorus:
```
D                  A
We all live in a yellow submarine
A                 D
Yellow submarine, yellow submarine
D                 A
We all live in a yellow submarine
A                 D
Yellow submarine, yellow submarine
```

And our friends are all on board
Many more of them live next door
And the band begins to play

As we live a life of ease
Everyone of us has all we need
Sky of blue and sea of green
In our yellow submarine ...CHORUS TWICE
