Verse 1:

Em	C
I woke up early this morning around 4am	
G	D
With the moon shining bright as headlights on the interstate.	
Em	C
I pulled the covers over my head and tried to catch some sleep,	
G	D
But thoughts of us kept keeping me awake.	
Am7	Em
Ever since you found yourself in someone else's arms,	
F	
I've been tryin' my best to get along.	
F	
But that's OK, there's nothing left to say, but	

Chorus: (repeat chords second time)

G D
Take your records, take your freedom,
Em
Take your memories I don't need 'em.

But you'll think of me, you'll think of me.

Verse 2:

I went out driving trying to clear my head,
I tried to sweep out all the ruins that my emotions left.
I guess I'm feeling just a little tired of this,
And all the baggage that seems to still exist.
It seems the only blessing I have left to my name,
Is not knowing what we could of been,
What we should've been, so:

Chorus:

Bridge:

Am7 Em
Some day, I'm gonna run across your mind,
D
Don't worry, I'll be fine,
F
I'm gonna be alright.

Am7
While your sleeping with your pride,
Em
Wishing I could hold you tight.

I'll be over you,
Fmaj7
And on with my life.

Chorus: 2x
